# Section B

## B.1 DF Committee

### B.1.1

There shall be a DF Committee ('Committee') composed of DFs and elected by DFs to oversee the implementation of the Movement's objectives as set out in article [A.1.4](#).

### B.1.2 Powers

#### B.1.2.1

To be the decision-making body for all DFs of the Woodcraft Folk subject to the rules and regulations of the Woodcraft Folk.

#### B.1.2.2

To secure and administer funding for the work of the DF Movement and to invite and receive contributions provided that in raising funds Committee do not undertake any substantial permanent trading activities and conform to any relevant requirements of the law.

#### B.1.2.3

To co-operate with other charities, voluntary bodies and statutory authorities operating in furtherance of the objects or of similar charitable purposes and to exchange information and advice with them.

#### B.1.2.4 Delegation of Powers

In order to achieve the above purposes, the DF business events (see section B.4) or DF Committee may from time to time establish Moots with delegated powers.

**B.1.2.4.1** The purpose and powers of a Moot should be clearly defined and it may be established for a limited period or on a permanent basis.

**B.1.2.4.2** A Moot must update the Movement on its work at Business Events, through verbal or written reports, proposals or motions.

**B.1.2.4.3** A Moot **must** appoint a chair, who is responsible for coordinating the group and chairing meetings.

**B.1.2.4.4** A Moot **may** appoint a secretary who is responsible for record-keeping for the group and minute-taking at meetings, and may appoint any other roles designated by the Moot.

**B.1.2.4.5** A Moot may have a closed membership defined by DF Committee or the Business Event that establishes it, or may be open to all DFs.

### **B.1.3 Obligations of DF Committee**

#### **B.1.3.1**

It is expected that members of DF Committee are contactable for the vast majority of their term and are able to supply quarterly reports at each public Thing and a yearly report at Althing.

#### **B.1.3.2**

It is expected that members of DF Committee come to all of the Business Events that they are able to throughout their Term, most importantly: Old/New and Althing.

#### **B.1.3.3**

It is expected that members of DF Committee are able to fulfill the obligations that are explained in their handover pack and by the previous member who is fulfilling the role.

#### **B.1.3.4**

It is expected that members of DF Committee will not detriment their well-being when undertaking these obligations and if they are unable to prevent detriment to their well-being when undertaking these responsibilities they are expected to delegate them or stand down from the role and allow DF Committee to co-opt someone else into the role.

## B.1.4 Committee Roles and Officers

### B.1.4.1 Primary Roles

**B.1.4.1.1** Committee shall be composed of a number of electable positions (or ‘primary roles’).

**B.1.4.1.2** The term of a primary role shall be two years, subject to the details outlined in [B.1.6.3](#). The exceptions to this are the Chair, Events, Shadow Events, Activism, MEST-UP, Shadow MEST-UP, Treasurer and Shadow Treasurer roles, whose details are given in sections [B.1.7](#) and [B.1.8](#)

**B.1.4.1.3** The primary roles shall be the following:

- Activism Representative
- Chair of Committee
- Communications Representative
- Events Representative
- Fundraising Representative
- Lay Member 1
- Lay Member 2
- MEST-UP Coordinator
- Outreach Representative
- Safeguarding Representative
- Secretary of the Movement
- Shadow Events Representative
- Shadow MEST-UP Coordinator
- Shadow Treasurer (If this is applicable according to the rules set out in [subsection B.1.8](#))
- Training and First Aid Representative
- Treasurer

### B.1.4.2 Secondary Roles

**B.1.4.2.1** In addition to the primary roles outlined in [B.1.4.1](#), Committee will elect, from amongst their number, individuals to hold the following positions (‘secondary roles’) in addition to the primary role they are incumbent in.

**B.1.4.2.2** The secondary roles shall be the following:

- Vice Chair of DF Committee
- Chair Carer
- Resource Fairy
- General Council Representative (Odd)
- General Council Representative (Even)

**B.1.4.2.3** The two General Council Representatives will sit on General Council for a term of two years, with one representative appointed each year. A committee member elected for a one-year role may be appointed as a General Council Representative and may remain on General Council even if they leave DF Committee after one year.

**B.1.4.2.4** The term of all other secondary roles shall be one year.

## **B.1.5 Election of Committee Members**

### **B.1.5.1**

Elections for primary roles on Committee shall be held at Althing (see section [B.4.1](#)), and nominations may be made up until the point at which hustings for the positions begins.

### **B.1.5.2**

All candidates nominated for positions on Committee must be members of the Woodcraft Folk and DFs, as set out above.

### **B.1.5.3**

Committee terms begin and end at Old/New. For example, a two-year term will begin at the Old/New (see [B.4.2](#)) immediately after which they were elected until the Old/New held two years later.

### **B.1.5.4**

The election system to be used at Althing shall be as detailed in the Democratic Procedures document. The voting system shall be AV for single-role elections, and STV for multi-seat elections.

**B.1.5.5**

The election of the Safeguarding Rep, like many other roles, is done by the movement at large. Because of the importance of the role, as well as being able to RON candidates, members can also choose to Veto candidates. If a candidate is Veto-ed, they are automatically disqualified, regardless of how many votes they have. A Candidate only requires one Veto to be disqualified the Veto is anonymous and does not need to be explained or justified.

**B.1.5.6**

The same person may not fill more than one primary role on DF Committee. For the avoidance of doubt, a person may hold a non-committee role in conjunction with a role on DF Committee.

**B.1.5.7**

With the exception of the safeguarding representative, a single role on committee may held by two people, who must run and be elected as a pair. This allows for the workload and responsibility to be shared between two people. However as both people are still only filling one role on committee, only one person may be expensed to business events. The decision of which person to expense is at the discretion of those holding the role.

**B.1.5.8**

If a position on Committee remains or becomes vacant, Committee may co-opt at their discretion a member of the DF Movement to fill the position.

**B.1.6 Joining and Leaving Committee****B.1.6.1 Vacation of a Role**

A person may no longer serve on Committee if:

- (a) they cease to be a member of the organisation; or
- (b) they stand down by notice to the DF Movement; or
- (c) they lose a vote of no confidence as set out in [B.1.6.2](#)

If a person holds more than one role, each role will be assessed individually when following the above criteria.

**B.1.6.2 Vote of No Confidence**

**B.1.6.2.1** Any DF may call a vote of no confidence on a role on committee; this vote will be taken by Committee (excluding the member in question) and will require an 2/3rds majority vote

to pass. Whoever submits the call for a vote of no confidence in a committee role must provide a written statement of reasoning for this decision. This statement will be sent to the committee role in question when they are informed that someone has requested a vote of no confidence in them, and the other members of committee when they are informed about the call.

**B.1.6.2.2** A vote may be held at any time as long as the Committee role in question was given at least 10 days' notice of the vote, and is offered to present their case to Committee either in person or in writing before the vote. Every member of Committee must be involved in the discussion and the vote.

**B.1.6.2.3** In the case of physical or mental incapacity, lack of attendance, or lack of report production to Committee meetings twice in a row, a vote of no confidence shall take place automatically. This action is only to be taken when internal Committee support structures have failed.

### **B.1.6.3 Replacement of a Role**

**B.1.6.3.1** If any vacancies arise on Committee, Committee may co-opt any member of the Movement to the vacancy. This will require a 2/3rds majority decision to pass. Any member that is co-opted will serve in the role until the next Old/New.

**B.1.6.3.2** If a person holding a role stands down mid-term at an Althing, an election shall be held according to Section [B.1.5](#) of the Constitution, and the role will be held by the winner of the election for the full term of the role. This has the exceptions of Laymember who will serve for a single year due to the nature of the role.

**B.1.6.3.3** Since Laymember Positions are meant to be elected on alternating years, in the case that two Laymembers are being elected, the member with the second highest votes should be elected as Laymember as well. One member should only serve for a single year to maintain the alternating election system.

### **B.1.7 Role of the Chair**

The role of the Chair is unique on Committee as its purpose is to serve Committee and not the Movement at large, and should therefore be electable by Committee, rather than the Movement. However, the role is too large to be a secondary role. Thus, the following two-stage election shall be implemented.

#### **B.1.7.1**

At Althing, an STV election shall be held for the position of Chair. If there is only one candidate and there were no first-choice votes for RON, then the second stage is bypassed and the Chair is directly elected. In all other cases, the election moves to the second stage.

**B.1.7.2**

In the second stage, the New DF Committee shall hold a closed meeting at Althing, during which they shall elect a Chair by AV. The candidates in the second stage are all those who placed above RON in the first stage.

**B.1.7.3**

For clarity, at this election, Committee may elect RON, leaving the position vacant.

**B.1.8 Role of the Treasurer****B.1.8.1**

The Shadow Treasurer and Treasurer role are both uniquely different to other Committee roles. It has been recognised that the role of Shadow Treasurer and Treasurer are particularly challenging and important to the movement. This system set out below has therefore been adopted and supersedes the provisions set out above.

**B.1.8.1.1** The Shadow Treasurer is elected for a term of one year from the floor of Althing. As with other roles, the incumbent Shadow Treasurer may re-stand.

**B.1.8.1.2** The Treasurer is elected for a term of one year by the floor of Althing. Only previous Shadow Treasurers (or the incumbent or previous Treasurers) may stand. This will mean that any Treasurer elected at an Althing will have already been a Shadow Treasurer at some point.

**B.1.8.1.3** The Shadow Treasurer will work with the Treasurer over the next year to learn the skills necessary to carry out the role effectively.

**B.1.8.1.4** Any candidate for Shadow Treasurer must be under 20 years old at Althing, so that after completing a term as Shadow Treasurer, they may still stand for the position of Treasurer.

**B.1.8.1.5** The Treasurer shall produce quarterly financial reports of the DF accounts to be sent to both DF Committee and General Council.

**B.1.8.1.6** Before the election of a new Treasurer and Shadow Treasurer, Committee shall submit a report to Althing on their success in the role which shall be included in the minutes. This is to ensure that if that person stands for the role of Treasurer in future years, an informed choice may be made by the floor of Althing.

### **B.1.8.2 No Confidence in the Treasurer**

**B.1.8.2.1** If the Treasurer position becomes vacant, by a vote of no confidence or otherwise, the Shadow Treasurer shall become the Treasurer and a new Shadow Treasurer shall be co-opted by DF Committee in the usual way (B.1.6.3).

**B.1.8.2.2** If the Shadow Treasurer is unable to fully take on the role of Treasurer, an additional Shadow Treasurer can be elected for one year. The Treasurer of Woodcraft Folk and DF Committee will support both Shadow Treasurers in their training for the year and will help write the yearly report for our financial audit.

**B.1.8.2.3** The decision to either hand over or take back power of the accounts will be made by DF Committee.

### **B.1.9 Role of the MEST-UP Coordinator**

The role of the MEST-UP Coordinator presents similar issues to that of the Chair as its purpose is to serve the MEST- UP team, as such the election process shall be in two parts as stated below.

#### **B.1.9.1**

At Althing, an STV election shall be held for the position of MEST-UP Coordinator. If there is only one candidate and there were no first-choice votes for RON, then the second stage is bypassed and the Coordinator is directly elected. In all other cases, the election moves to the second stage.

#### **B.1.9.2**

In the second stage, a closed meeting shall be held at Althing, involving a minimum of 11 MEST-UP representatives or half of the total number of MEST-UP representatives, whichever is fewer. During this meeting they shall elect a Coordinator by AV. The candidates in the second stage are all those who placed above RON in the first stage.

#### **B.1.9.3**

For clarity, at this election, MEST-UP may elect RON, leaving the position vacant.

### **B.1.10 Role of the Secretary**

The role of the secretary is to ensure that the written records of the movement are accurate and that the governing documents are enforced where applicable.

**B.1.10.1**

In order to carry out their role, the secretary has the power to merge previous years changes to the constitution into the next version which they produce. This may, for example, encompass changes which should have been made by a previous secretary but were not. Any changes to be made must be clearly identifiable as a change which needs to be made from minutes of an Althing.

**B.1.10.2**

The secretary is responsible for the maintenance of the following documents:

- (a) The DF Constitution;
- (b) The DF Democratic Procedures; and
- (c) The minutes of previous meetings as described in section [A.3.2](#)

**B.2 Supervisory Roles****B.2.1**

Supervisory roles are roles vitally important to the DF Movement, but must remain independent of DF Committee because they must be able to be critical of Committee as well as the Movement as a whole when it comes to their area of responsibility.

**B.2.2 Obligations of Supervisory Roles**

Supervisory Roles are under the same obligations as members of DF Committee as written in [B.1.3](#) of the Constitution

**B.2.3 Role Terms and Titles****B.2.3.1**

The term of all Supervisory Roles shall be one year.

**B.2.3.2**

The roles shall be the following:

- Accessibility Representative
- Sustainability Representative

## **B.2.4 Election of Supervisory Roles**

### **B.2.4.1**

Elections for Supervisory roles shall be held at Althing (see section [B.4.1](#)), and nominations may be made up until the point at which hustings for the positions begins.

### **B.2.4.2**

All candidates nominated for supervisory roles must be members of the Woodcraft Folk and DFs, as set out above.

### **B.2.4.3**

Supervisory role terms begin and end at Old/New.

### **B.2.4.4**

The election system to be used at Althing shall be as detailed in the Democratic Procedures document. The voting system shall be AV.

### **B.2.4.5**

In the election for Accessibility Representative, in addition to the RON candidate, voters shall also have the option to Veto a candidate. If a candidate is Veto-ed, they are automatically disqualified, regardless of how many votes they have. A Candidate only requires one Veto to be disqualified – the Veto is anonymous and does not need to be explained or justified.

### **B.2.4.6**

A person may not hold a supervisory role in conjunction with a role on DF Committee.

## **B.3 Non-Committee Roles**

### **B.3.1**
