This is the network who can support you if you want to report a safeguarding concern.You can report something to any stage of the tree and bypass an individual or group if you wish.

You can request someone doesn't share a piece of information but complete confidentiality is impossible. They will be required to pass something up the tree if necessary

Central Woodcraft (Payed staff)

Woodcraft Folk CEO - Lloyd Russell-Moyle

Woodcraft Folk Safeguarding Officer - Owen Sedgwick-Jell

The police

Do not have to be involved, eg. if it's against a survivors wishes

Will be called if someone has been asked to leave site and is refusing

Committee Safeguarding Representative

Committee member who deals with safeguarding. Responsible for safeguarding off event. Follows up on issues with central.

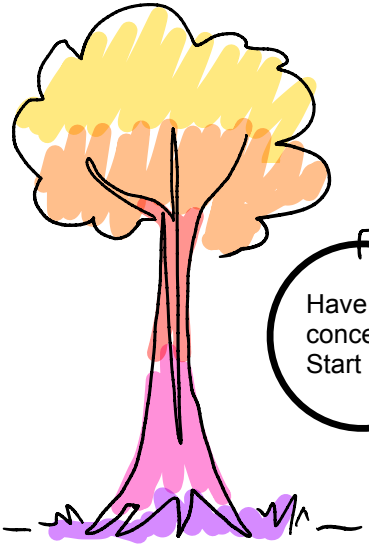

Event Safeguarding Lead

Person designated to focus on safeguarding on that particular event. Made known to participants as someone to bring safeguarding concerns to. They follow procedure as stated in our safeguarding policy. They will be safeguarding trained

Mest Up

On duty Mest Up volunteers are trained to support and listen to you. If you or someone else is in danger on the event they are required to pass information to the event safeguarding lead

You could also tell a committee member if you want them to raise something in a committee meeting

Have a concern? Start here

A Friend

You can talk to any person/ people about for experience and we will never make any attempt to silence you, however, people who are not in any of the other positions on the safe tree have no specific responsibility to respond to an incident. You can ask a friend to report something for you.
